GIAMPIERO TAGLIAFERRI DESIGN

Sculptural and original forms with a distinct 1970s style give life to a design project in which elegance, formal innovation and maximum comfort coexist.

The design of the backrests and armrests, poetically evocative of a lunar phase, becomes the stylistic leitmotif of the system: their shapes, together with the seat cushions and marble or wood tops, are accommodated and partially concealed in the upholstered base that rests on the floating metal frame.

The arrangement depicted is just one example of the many different compositions possible with our seating systems.

We suggest that you contact the nearest Minotti dealer to explore the options most suited to your needs and select the upholstery of your choice from the exclusive Minotti collection.
