

YVES SOFÀ

HANNES PEER DESIGN

The rational volumes and organic shapes of the Yves seating system are also available in the version with a more compact seat depth. Introducing Yves Sofà, a project that combines its hallmark *couture*-inspired design with upholstered one-piece seats that are reduced in depth to bring the same sartorial taste into smaller residential or Hospitality spaces.

The arrangement depicted is just one example of the many different compositions possible with our seating systems. We suggest that you contact the nearest Minotti dealer to explore the options most suited to your needs and select the upholstery of your choice from the exclusive Minotti collection.
